

Application No. 10/825,138
Voluntary Amendment

REMARKS/ARGUMENTS

Claims 1-11 and 13-22 are presently pending. Claims 3, 7, 9 and 10 have been amended.

The Examiner's Amendment, included with the Notice of Allowability and received with the Notice of Allowance mailed May 2, 2006, amended claims 3 and 7-10 previously on file such as to "correct obvious typographical errors". More particularly, the Examiner's Amendment amended these claims by replacing "the gas turbine engine" by "a gas turbine engine".

With respect, the Applicant seeks by way of the present Amendment to more appropriately amend the typographical errors in the identified claims.

As such, the expression "a gas turbine" in claims 3, 7, 9 and 10 which was introduced by the Examiner, has been hereby replaced by "the APU".

Confirmation of the allowance of the corrected claims at an early date is solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

Respectfully,
